

The Dash Board

- 28 vans are currently providing transportation for missionaries.
- 75+ missionary families are scheduled to use vehicles over the next few years.
- 26 vans were driven a total of 154,787 miles in the 4th quarter of 2010.
- 1,327,995 miles driven since inception.
- *We accept vehicle donations. Donate your vehicle today!*

The Filling Station

Praises

- Be sure to give praise to the Lord for the items on the "2010 In Review" list on the back of this newsletter.
- The Kimball family support is at 71%.
- Faithful volunteers and financial donors.
- Twelve additional vans were added to the fleet in 2010.

Prayer Requests

- Pray for God's wisdom and guidance for the board as they meet in February.
- Often the fleet vans become "home" for missionaries. Pray their travel will be restful, safe and comfortable.
- Maintenance can be pricey. Pray we will be able to keep our costs to a minimum.
- The Kimball's are still raising support. Pray they will be 100% supported!
- The shop is a busy place. We have a critical need for mechanics and car detailers.

Righteous Rides

Traffic Report

Take the "100 MPH Challenge!"

What is the "100 MPH Challenge?" The challenge consists of four goals. Each goal is essential in our being able to reach the goal of providing many more of miles of transportation to missionaries.

100 Volunteers

Righteous Rides is a **volunteer** based organization and has many opportunities to serve at the shop. We are currently in critical need of volunteer mechanics and auto detailers. It's cold outside but the shop is warm; come and serve when you can.

100 MPH

Twenty-six vans drove a total of 154,787 in the 4th quarter of 2010. That's an average of 71.7 miles driven every hour! Our target goal is **100 miles traveled every hour** in order to reach the next million miles of transportation provided to missionaries home on furlough. Pray for traveling missionaries.

100 Vans

Currently there are 29 vans serving missionaries. Our *long term* goal is to have 100 vans on the road. More vans, equals more missionaries served and more miles traveled every hour.

100% Support

Paul considers it a joy to minister to missionaries, knowing that turning wrenches in the shop is a link in the chain of people sharing the gospel and making disciples of Christ. The Kimball family is in the process of raising their monthly **support**. They are currently at 71%. We'd love to have you as a monthly Kimball family supporter.

We're going full throttle to 100 mph
to reach the next Million Miles!

We're taking the "100 MPH Challenge" seriously. Won't you join us?

How can you help? Look at the list above and see how you can serve with us!

Rich worship, warm fellowship, and lots of enthusiasm are just a few words that describe the **3rd Annual Righteous Rides Banquet**. With over 175 in attendance, it was a great night of worship in honor of the Lord's work and those of you who are making the ministry possible. In response, many indicated their continued desire to be a part of the ministry by praying, giving financially, or volunteering. The monies collected at the banquet were put toward the Kimball family support. Each person's presence at the banquet was a great encouragement to the Righteous Rides team.

2010 In Review. "It is the Lord!"

In the book of John, chapter 21, we see "seven guys on the sea". The "seven guys" are seven of the disciples of Christ fishing on the Sea of Galilee. They've been fishing all night and they've caught nothing! Just as the sun was coming up, Jesus stood on the beach; yet the disciples did not know that it was Jesus. He asked them, "friends, haven't you any fish?" They answered Him, "No." He said, "throw your net on the right side of the boat and you will find some." When they did, they were unable to haul the net in because of the large number of fish. John, the disciple who Jesus loved, recognized Jesus, and said to Peter, "It is the Lord!" These thoughts were shared with me one Sunday morning by my pastor, Rev. Rhea, which got me thinking.

In preparation for the 3rd Annual Righteous Rides Banquet, the Righteous Rides team began to review all that had transpired in 2010. Just as the "seven guys on the sea" had a large number of fish to be thankful for, we too realized we had a large number of things to be thankful for. As we reviewed all that had happened in 2010, it became crystal clear that "It is the Lord!" The disciples had thrown out the net, but it was the Lord who put the fish in the net. The Righteous Rides team had moved forward through the year but it was the Lord who brought together all that had transpired! It is with great humility and thankfulness to the Lord that we share the following 2010 In Review list with you.

2010 In Review

- ◆ The "10 in 10" Project was completed, 10 vans purchased in 2010!
- ◆ The Kimball family joined the ministry as missionaries to Righteous Rides.
- ◆ We began assisting the Salvation Army with their vehicle donation program in order to accelerate the purchase of vans and obtain a facility and equipment.
- ◆ On April 1st we moved into the new Righteous Rides shop in Moscow Mills.
- ◆ On April 1st we lost one of the fleet vans when it rolled over in Colorado. We are thankful everyone involved was unharmed. On the same day we also received a check toward the purchase another fleet van.
- ◆ With a desire to obtain fleet insurance on the Righteous Rides fleet of vans, we were informed that it would be important for us to obtain our dealers license. We are excited to say the dealers license has been obtained
- ◆ After having obtained the facility it became obvious that things were going to change. Our number of volunteers increased from 10 to well over 40 and the number of vehicles donated directly to the ministry increased. In 2010 thirty-three vehicles were donated directly to Righteous Rides!
- ◆ For 3 ½ years we struggled to obtain insurance for the missionaries to drive the fleet vans. Within the last few months we have obtained a fleet insurance policy!
- ◆ In December, 2 additional vans were obtained, making the actual count for the "10 in 10" project 12!
- ◆ The Kimball family, in just over 9 months, has raised 71% of their support!
- ◆ It is great to be able to share with you that in 2010 37 missionary families have been able to utilize the fleet vans and 75+ missionary families are scheduled to utilize a van over the next 5 years.
- ◆ Last but not least, we are thankful to be able to say that the Million Mile goal was reached in August of 2010!
ONE MILLION MILES driven by missionaries utilizing fleet vans since the inception of Righteous Rides!

Truly the Lord has done abundantly more than we could ask or think! Our nets are full; IT IS THE LORD!
